

LiveNX Training

Number of Days: 2 Day

Instruction Method: Instructor-Led-Training

Solutions / Version(s) Used in this Session: LiveNX 8.x

Course Description

This course is designed to get Network and Application Support personnel up-and-running quickly with LiveAction's **LiveNX** solution. Topics include; LiveNX Architecture, Network Visualization, Reporting & Alerting. A "deep-dive" into Quality of Service implementations, as well as deployment strategies is included.

In this hands-on technical session, expert instruction is combined with lab exercises to maximize the learning experience.

Who should take this course?

This session is targeted towards those who wish to use LiveAction solutions to monitor network and application performance, understand the benefits of QoS monitoring & configuration, as well as create & view capacity planning & bandwidth utilization via rich reports.

LiveNX provides Network Engineers and Application Developers an end-to-end solution that comprises monitoring, measurement, detection of violations, and root-cause analysis... as well as a "click-fix" for network appliance policies.

Prerequisites

- Basic understanding of applications, networking, and protocols.
- Router & Switch configuration experience is helpful.
- Participants are required to provide their own PCs/laptops AND ensure their ability to connect to our internet-attached training network.
- All participants must install/run/connect the provided Cisco's AnyConnect VPN Client in order to participate in any of the in-class hand's-on labs.

Fundamentals Topics:

- Architecture Review
- Topology navigation
- Visualization & Troubleshooting
- Overview of Flow Monitoring
- Adding & Managing Devices
- QoS Overview
- System Reporting
 - Client Dashboards
 - WebUI Dashboards
 - Creation & Customization
 - WebUI Reports
 - View Stories
 - Schedule Reports
 - Custom Reports
 - Scheduling Reports

Advanced Topics:

- Implementation Best Practices
 - Installation Considerations
- Using LiveNX to Monitor & Configure Quality of Service
 - Classification & Marking
 - Shaping & Queueing
 - Policing & WRED
 - Buffer Tuning
- LiveAction SD-WAN Overview
 - SD-WAN Fundamentals
 - SD-WAN Deployment, Operations, Troubleshooting
- Deployment Strategies

Delivery Options

Instructor-Led-Online – Presented via WebEx, over 2 consecutive days... generally scheduled for a Monday / Tuesday or Thursday / Friday. Due to hardware infrastructure constraints there is a maximum of 8 attendees per class.

Instructor-Led-Onsite – Presented in-person, at your facilities, as a full 2-day delivery, usually 9a to 5p (local) with breaks. Due to hardware infrastructure constraints there is a maximum of 8 attendees per class, unless otherwise arranged.

Instructor-Led-Public - Presented via WebEx, , over 2 consecutive days ... Scheduled the 1st Monday / Tuesday of each month (exceptions apply), 8:30a Pacific Time. Seating is limited to confirmed registrations. Due to hardware infrastructure constraints there is a maximum of 8 attendees per class.

Registration

Discuss available training options with your LiveAction Sales Representative. Sign up by sending an email to training@liveaction.com. Note that class size is limited, and classes fill up well in advance, so sign up soon!

Cancellation Policy

If client cancels any training session(s) upon written notice which shall be received by LiveAction (i) no less than fourteen (14) days prior to the first day of such cancelled training, attendee shall be entitled to a full refund of any enrollment fees paid for such cancelled training or such amount may be applied to another available scheduled training session which client selects; (ii) between seven (7) and thirteen (13) days prior to the first day of such cancelled training, client shall be entitled to a fifty percent (50%) refund of any enrollment fees paid for such cancelled training or such amount may be applied to another available scheduled training session which client selects; or (iii) less than seven (7) days prior to the first day of such cancelled training, or client is a "No-show", client shall receive no refund for any fees paid for any such cancelled training. Any and all rescheduling is solely at LiveAction's discretion.

For course pricing & availability, or if you have any additional questions, please contact your local LiveAction Sales Manager or sales@liveaction.com.
